At LoveUrns®, we recognise that choosing an urn is a deeply personal and sometimes difficult journey. Our mission is to ensure that each urn reflects the life of the person being honoured, created with care and consideration.

We are passionate about crafting memorial products that feel uniquely special, designed and manufactured by hand with dedication and love.

Our skilled artisans meticulously produce each item, ensuring high-quality craftsmanship through hand-polishing and finishing, one piece at a time.

Using only the finest materials, our products are free from harmful substances and characterised by exquisite design and attention to detail. Each urn embodies our commitment to caring for both people and the environment without sacrificing quality or aesthetics.

Ultimately, we aim to provide comfort to families during challenging times, delivering a lasting memorial piece infused with honesty, love, and care.

Handcrafted with Love™ - from our family to yours.

# Porcelain™

by LoveUrns®

We are pleased to introduce our new line of urns ~ Forever Porcelain™.

We've spent years developing our line of high-quality porcelain urns, and we're excited to offer them as part of our product lineup.

Forever Porcelain™ urns are made from a special type of clay that is fired at high temperatures, which makes them sturdy and durable.

The firing process also gives the urns their unique look.

The urns come in a variety of beautiful colours and shapes, so you can find the perfect one for your loved one.

They can be kept in the patio or garden, or indoors as you prefer.

All our Forever Porcelain™ products have a solid brass screw closure on the bottom.

## Our Brands

**LoveUrns®** encompasses a number of different brands. We believe in making products that are as varied and diverse as the people who use them, so we offer a variety of different brands that are tailored to cater to all tastes, budgets and needs.

## Who We Are

LoveUrns® is a family-owned global manufacturer and supplier specialising in high-quality urns, cremation jewellery, and memorialisation products. As a third-generation business, we began our journey in the early 1960s as Pioneer Arts, a metal manufacturing company based in India.

## Our Journey

Initially, we focused on crafting decorative products for international home décor markets. In 2007, we transitioned into the death care industry, supplying cremation urns on a global scale. By 2011, we had established a strong presence in the USA with nationwide warehouse and distribution capabilities. In 2020, we expanded our operations to the Netherlands, significantly enhancing our ability to serve the European and UK markets with dedicated warehousing and distribution services.

## Our Reach

Today, LoveUrns® is recognized as one of the largest urn manufacturers and distributors, employing over 600 skilled professionals across India, Thailand, the USA, and the Netherlands. We are proud to distribute our products to 45 countries, supported by dedicated customer service teams in both the USA and the Netherlands.

## Our Commitment

We take pride in offering a personal touch, ensuring our products are both affordable and handcrafted with love. Our customer service teams work closely with funeral professionals to deliver exceptional support for families during their time of need. Despite our growth, we remain a family-owned and operated business, committed to meeting the needs and expectations of all our customers.
